

Schedule for the 'Mock Test' of Silverzone Olympiad 2023-24

Please Note: Taking part in these Mock tests is free of charge and entirely optional. Nevertheless, engaging in these tests can assist participants in comprehending the exam format and boosting their confidence when facing the actual Olympiad.

Silverzone Foundation is pleased to announce the start of the Mock test in order to provide students with practice for Olympiad Exams. This mock test is open to all registered and non-registered KG/Prep to 12th students. For each subject, a student will be given two practice sessions for the same test paper. Students can use these sample tests to assess the final test paper pattern.

Subjects/Events - Mock test is currently open for all students from **Oct 27 2023 11:00AM (IST)** to **Nov 30 2023 11:00PM (IST)** for the following subjects: **Computer, Maths, Science, English, General Knowledge, Social Studies, Hindi.** .

Students can attempt the Mock test by clicking the link- <https://exam.silverzone.org>

Purpose of the Mock Test

- To Understand the pattern of Silverzone International Olympiad Test Paper.
- Mock tests are optional; however, every student needs to be encouraged to take the 'Mock Test' to assess the final test paper pattern.
- Mock examinations help students strengthen their logical reasoning skills.
- Students can take Mock Olympiad exams to evaluate their understanding, knowledge, and reasoning skills.
- Understand the pattern of Silverzone International Olympiad exams. However, these practice tests would be equally helpful for students writing exams for other competitive exams and Olympiads.
- Identify your weak areas so you can focus on them.
- Gain confidence in order to clear further stages/exams.

Requirement of the Test

- It will be essential for the students to use a PC/Laptop with internet connectivity, the latest chrome browser, a webcam and microphone.
- In case of non-availability, participants may use an Android smartphone with a camera and the latest Chrome browser.

Getting ready for the Test

- Check your internet connection and get ready half an hour before the exam.
- Go to a room where you can access and take the test without any disturbance.
- Keep yourself calm while taking the test.
- Please refresh the page at the exam time in case the 'Proceed for Exam' button is not visible.
- If you face any difficulty, please clear all your browser history and try again.
